

First Amendment and Clarification to RFQ

RFQ: Inuvialuit Energy Security Project (IESP) Site Civil Works Construction

Originally Issued: February 9, 2021

Amendment Issued: February 16, 2021

1. Part B, Paragraph 1.1 is amended to agree to Part G as follows:

Responses must be received before 4:00:00 p.m., as determined by the time stamp clock at the Closing Location on: February 23, 2021

2. Part D, Criterion 3: Civil Works and Construction Experience - Bullet 4 is further clarified to read:

Provide three references for the above projects including at least one project over \$10M. The response should only include the names and contact information of three companies or individuals for IPC to contact, should IPC choose to do so. Letters of reference are not required.
