

Apply for the Qanuippitaa? National Inuit Health Survey (QNIHS) Travel Team Training!

**3-week paid training in Inuvik:
October 4, 2021 - October 22, 2021**

**The training can lead to fieldwork:
QNIHS Survey Period: October 2021 - March 2022**

Responsibilities:

- Successfully complete the three-week survey training in Inuvik
- Upon completion of training, the field work is then to:
 - Make initial contact with survey participants
 - Respond to questions community members may have about the health survey or about their participation.
 - Use tablets to conduct the consent procedure and administer survey questionnaires at community centres

***Deadline to apply:
September 17, 2021***

The ideal trainee will have:

- A high school diploma or equivalent
- Willingness to learn and build capacity in research
- Work or volunteer experience with a community-based and Indigenous-led organization in the Inuvialuit Settlement Region or anywhere across Inuit Nunangat
- Familiarity or fluency in Inuvialuktun would be considered an asset
- Experience using digital tools, such as web or mobile applications, for data collection
- **Willingness to work flexible hours**
- **Willingness to travel for up to three weeks at a time within the Inuvialuit Settlement Region between October 2021 and March 2022 as a QNIHS Fieldworker.**

Priority will be given to beneficiaries of the Inuvialuit Final Agreement.
