

Spring On the Land Support

(Inuvik, NT) March 1, 2021 - The Inuvialuit Regional Corporation (IRC) is offering on the land support to beneficiary households within the Inuvialuit Settlement Region who will be spending time at their camps during the spring.

IRC recognizes the importance and health enhancement of spending this time and the upcoming season engaged in activities at your camps along with your families.

We are pleased to offer financial contribution for supplies and fuel to assist with your spring trips.

IRC would like to ensure your household understands the details and guidelines of the financial support so you can start planning for Easter time and for the Spring season on the land:

- Forms for each household can be found here to download and fill and at IRC's website www.inuvialuit.com
- Please complete the form by March 19 and 5pm deadline.
- Funds will be released in April and vouchers will then be ready at the grocery store and gas/fuel station identified on your household application form.
- Successful applicants will be able to use these vouchers between April 1 and May 15, 2021.

Again, Inuvialuit Regional Corporation appreciates the partnership with local retail stores for their contribution in assisting beneficiary households stock up for Spring on the land and we continue to wish all of those travelling on the land a safe and productive season.

Application Form for Spring On the Land 2021 is on IRC website
