

IRC provides funds to each beneficiary in a COVID response effort

The Inuvialuit Regional Corporation will be providing each beneficiary with a \$200 COVID support payment. This payment is being issued September 15, 2021. Another payment of \$200 will be issued to each beneficiary the week of November 15, 2021.

“IRC is happy to assist beneficiaries with funds to purchase more in terms of groceries or cleaning supplies as COVID cases rise throughout Canada, the extra funds could help this month especially with children back to school,” said Duane Ningaqsiq Smith, IRC Chair and CEO.

- Inuvialuit Regional Corporation will be **issuing payments by the direct deposit** method (Electronic Fund Transfers) to those enrolled beneficiaries who have **registered their direct deposit information** with IRC.
- For those not yet using or able to use direct deposit/(EFT), Inuvialuit Regional Corporation will be **mailing out cheques to addresses already on file with the Deputy Registrar of Enrolment on September 13, 2021.**

Remember that you should always update your address with IRC’s Enrolment Office when you move.

IRC continues to encourage beneficiaries to sign up for direct deposit:

- *Sign-up at any time of year to receive the annual dividend payment, elders’ payments and other payments that IRC is able to provide.*
- *Please visit your banking institution to obtain a direct deposit form and then send the banking form you receive to IRC Enrolment along with your contact details.*
