**STUDENT EVALUATION FORM**

**To be completed by the Tutor**

In order to ensure the success of our program we would like you to fill out a short evaluation form on the students you have tutored. You are requested to submit at the end of each month the student is tutored. You may want to consider some of the following questions:

How did you find this month of tutoring (success/challenges)? Did you have trouble motivating your students? How are the students progressing in the subject areas they are being tutored in? Did the students respect the arranged times and stay motivated throughout the sessions?
