Questions and Answers

Q: The offer form says FOB Edmonton but also says all prices to be stated as FOB the community. Is the price to include materials delivered to a location in Edmonton only?

A: Yes, Edmonton/Leduc area.

Q: Is crating and packaging to be included in pricing?

A: Yes. All materials will end up stuffed and secured by others in a 40' sea can and shipped north and needs to be packaged/crated for ease of securement in the sea can. All materials should be divided and crated by final destination.

Q: Is unloading at site in Edmonton by others (Not included)?

A: Yes.

Q: Does the Toyotomi OM-122DW require a chimney vent kit or a direct vent kit?

A: Both. Please include both vent kits in the price.

Q: What would the expected delivery date be to the site in Edmonton?

A: Friday, July 4, 2025

Q: For the material, it says 50 pieces of 2x10x16, do you want this material to be banded and wrapped?

A: Banded, wrap is optional.

Q: Is the material being shipped up in a sea can?

A: Yes, each list is being stuffed, secured and shipped in a 40' sea can.

Q: Would you consider the lumber to be packaged up in Inuvik/community?

A: No, each sea can is going from Edm to the barge dock.
