

Please be advised that Bird Construction Industrial Services Ltd will be soliciting proposals for a contractor to supply highly skilled and trained personnel as well as equipment to provide crane and hoisting support on an upcoming project in the Inuvialuit region.

- Project – Inuvialuit Energy Security Project
- Location – 16 km South of Tuktoyaktuk
- Timeline – Part time support from September 2025 to November 2025, and full time support from December 2025 to April 2027
- Scope of Work – Provide fully operated and maintained crane and operator to support construction activities
  - September to November of 2025 would be primarily at the laydown location in Tuktoyaktuk
  - December 2025 the crane would relocate to site and transition to full time support
  - Hoisting of structural steel, piping, equipment, building cladding, and other materials as required
  - Bird is currently evaluating (2) options for this crane
    - 100 ton RT type crane
    - 90 ton telescope boom crawler (Mantis) type crane
    - Proponent is to provide rates and availability for both types
  - Assist with assembly of crawler cranes
  - Loading and unloading of counterweights on heavy lift cranes
  - Operator will possess journeyman crane operator qualification in good standing and be deemed competent on the specific piece of equipment being utilized
  - Bird will provide qualified and competent riggers and signal persons
  - Bird will supply all below the hook rigging components required, and all components will be inspected prior to each use, be in suitable condition for use, and be appropriate for the load being hoisted

The RFP will have a focus on safety, technical capability, and the inclusion of local workforce wherever possible. Priority will be given to active members of the Inuvialuit Business List (IBL). All proponents interested in being included in the RFP are to respond no later than 4:30 pm on Friday July 18, 2025 to [tamara.perry@bird.ca](mailto:tamara.perry@bird.ca), [Christian.desnoyers@bird.ca](mailto:Christian.desnoyers@bird.ca), and [Christian.ilagan@bird.ca](mailto:Christian.ilagan@bird.ca) using the title line “Inuvialuit Energy Security Project – Crane and Hoisting Support – RFP”, and including contact information for individuals within your organization who should receive the RFP.

Your sincerely,  
Bird Construction Inc.

Christian Desnoyers  
Project Manager
